

ANNUAL
REPORT
2016

**Helping kids
makes us feel
like kings.**

TEXAS CAVALIERS FOUNDATION

The mission of the Texas Cavaliers Charitable Foundation is to encourage, foster support and conduct activities and programs which will benefit children residing within the State of Texas.

Celebrating our 27th year as the Texas Cavaliers’ charitable arm, the Texas Cavaliers Charitable Foundation presents this annual report as testimony of our commitment to children. King Antonio and his royal entourage promote joy and fun for children, our military friends and the entire community during Fiesta, elevating spirits, raising funds and distributing grants to children’s charities. The philanthropic mission of this Foundation is to improve children’s lives in a myriad of ways.

Since the inauguration of the Texas Cavaliers in 1926, we’ve been building relationships — within our family of Cavaliers and within the community. Our civic, social, patriotic and service organization has sponsored the Fiesta River Parade since 1940, spreading goodwill, visiting schools, hospitals, non-profit organizations and military installations, handing out golden coins and Fiesta medals and sprinkling royal magic throughout the land. More than 250,000 Fiesta fans attend the River Parade each year and the sales from those tickets are the primary fundraiser for The Texas Cavaliers Charitable Foundation. Many of those tickets are also given as gifts to children, their families, our charitable recipients and military families. That’s another way we propagate cheer.

This Foundation, established in 1989 when the economy was mired in trouble, was founded in hope, faith and a sense of community responsibility. Spearheaded by veteran Texas Cavalier Fred Middleton, the Foundation began with just \$14,000; today, the corpus has grown to \$3.5 million, thanks to the generosity of the Texas Cavaliers and others who honor friends and family through memorials and special gifts, give to the Lewis Hart Society and the Silver Knights, and support the River Parade, New Member Auction, Annual Fishing Weekend and Annual Golf Tournament. Our gifts have grown exponentially, this year reaching a record \$571,335 in support of children’s causes.

Helping kids makes us feel like kings.

Dear Fellow Cavaliers & Friends,

2016 was an extraordinary year for the Texas Cavaliers Foundation. Your generosity and hard work brought joy, healing, hope, education, safety, shelter, voice and more to thousands of area children. Your gifts made it possible for King Antonio to present \$571,335 to children's charities, including \$256,500 to KIPP San Antonio, a gift that brings name recognition along with the gratitude of KIPP students, parents, educators and administrators.

When you're driving on South I-35 and you see the Texas Cavaliers Gymnasium, be proud of what your generosity has forged. You are a catalyst for dynamic change in our community. You volunteered. You put in countless hours of planning, organizing, showing up in your uniforms and bringing delight to all who benefitted from the Texas Cavaliers' iconic contributions to Fiesta San Antonio.

We withstood the great rains of Fiesta 2016 and when the sun came out, the River Parade went on as planned. We visited hundreds of schools, hospitals, military installations, charitable organizations and other sites, soaking up the happiness we saw in the bright, shiny faces of children who must have dreamed sweet dreams after hugging a king. Knowing we were spreading royal merriment to little ones and making San Antonio a magical place for 10 thrilling days was a great honor.

As your King, my life changed. The breadth of emotions I felt as we visited children in local hospitals was beyond words. Sweet little Rebekah, an oncology patient at University Hospital, endured multiple surgeries, never lost her positive attitude and proudly rode on the Grand Marshal's float. Meeting her was a highlight for me and represented what we do to help children in so many ways. I thank you for allowing me this incredible opportunity.

Hunt Winton
King Antonio XCIV

As the President of your Foundation, you have my assurance that we prudently vet every charitable request to meet our high standards and keep our mission alive. We take your investments in this Foundation very seriously, ensuring the appropriateness of each charitable gift and maximizing the impact of every dollar. We are grateful for your support, contributions and trust. Thank you for selflessly helping our community's children.

Mark Casillas
President, The Texas Cavaliers Charitable Foundation

Our Gift to KIPP San Antonio: The Texas Cavaliers Charitable Foundation Gymnasium

In 2016, The Texas Cavaliers Charitable Foundation's 2016 charitable giving marked a historical milestone in our commitment to children's causes. The Foundation's \$50,000 gift to KIPP San Antonio was doubled by a matching \$50,000 gift from Texas Cavalier Zach Lee and the Quincy and Estine Lee Foundation. With individual gifts from our family of Cavaliers, the gift burgeoned to \$256,500.

As a result of this extraordinary capital gift, the Foundation has earned naming rights for the first time in its history.

The Texas Cavaliers Gymnasium on the new KIPP Cevallos K-12 campus will serve over 1,500 students each year.

We lend this support because the majority of students at KIPP San Antonio face a tough road: 86% are economically disadvantaged, 33% have limited English proficiency, 98% are students of color, 90% do not have a college graduate in the family, 60% of 9th graders in their neighborhoods are expected to drop out before graduation, and 95% are not expected to graduate from a four-year college.

And we lend this support because, despite these odds that might otherwise impede them, 100% of KIPP University Prep graduates have earned college acceptance and over \$8 million in college scholarship offers in the past two years.

How could Parade Marshal Trey Embrey and the Texas Cavaliers Charitable Foundation resist supporting these visionary campuses where learning is energetic, innovative and contagious? For more than 10 years, KIPP's focus on a committed and meaningful collaboration among parents, students and teachers has

redefined what is possible in public education. Learning comes first and college graduation is the goal.

That's the kind of mission the Texas Cavaliers Foundation loves. Imagine free college preparatory schools where children develop the knowledge, skills, character and habits they need to succeed in life. Where students also ignite promise in their siblings and extended families. These aren't just schools. They are instruments of change.

In providing quality education for historically underserved children, KIPP schools are infusing new life in our workforce and achieving the Texas Cavaliers' greatest passion — changing children's lives for the better.

In recognition of what KIPP schools are doing for K-12 students in six high-performing public charter schools within San Antonio's urban core, including two elementary schools and three middle schools, the Texas Cavaliers Foundation awarded KIPP with its largest single gift since the inception of the Foundation. This partnership gives us deep pride in the power of charitable dollars to transform children's lives in meaningful, measurable ways.

Respite Care of San Antonio

In a tree-lined, mixed-use neighborhood on the near north side, the lively sounds of children waft from several cheerful, repurposed vintage homes. If you pay a visit, you immediately sense that this place is different. It's a safe haven, the children are special, the staff fully attuned. And you feel really good to know that the Texas Cavaliers Charitable Foundation contributed a gift to Respite Care of San Antonio in 2016.

Within these secure walls and on these adaptive playgrounds, children with developmental disabilities find a loving place to make friends and spend a few hours so their families can have a much-deserved break from the unwavering demands of caring for a child with special needs. Staff is fully trained to respond to the emergencies that can befall a child with autism, cardiac issues, cerebral palsy, seizures and other challenges.

Cara Magrane, COO of this amazing organization, takes the crises in stride because remaining calm and fearless is what differentiates this staff. She says, "We are the only Daycare and Mothers' Day Out in the city strictly devoted to children with disabilities and their non-disabled siblings. It's so rewarding to know we're taking care of these children so their parents can run errands and spend time with

friends and family without having to negotiate medical equipment and public behavioral issues. We also offer Mothers' Day Out, Friday Night Parents' Night Out and Saturday Family Day. It's a beautiful thing for families to have these respites so they can recharge."

Respite Care also houses a 24-hour emergency shelter for children in crisis. If they have been injured or abused, here they are protected in a calm, nurturing, and stable place as they transition to placement with family or foster care.

On an average day, Respite Care children number 100, and every child has a story that endears him or her to the hearts of the staff. Whether the noise is joyful or tearful, it's good. They're safe and loved. "There's never a dull moment," Magrane says. "It's so much fun and such a very hard job all at the same time."

Fulfilling our Mission to Support Children's Charities

Never in the 27-year history of the Texas Cavaliers Foundation have we been more gratified than in 2016 when we celebrated the first naming opportunity for this organization. The Texas Cavaliers Foundation Gymnasium on the KIPP Cevallos campus, visible from I-35, offers striking testimony to our mission and our commitment to helping children. Including our \$256,500 gift to KIPP San Antonio, King Antonio XCIV presented a total \$571,335 to local children's charities, thanks to your generosity.

Your Generous Gifts & Sponsorships are Changing Children's Lives

Your 2016 gifts to the Texas Cavaliers Foundation and sponsorships of special events are bringing healing, education, compassion, adventure, security, joy, hope and love to thousands of children. And to ensure that your gifts earn maximum potential, your Texas Cavaliers Charitable Foundation Investment Committee vets every charity with professional due diligence. You may be confident that your donations are leveraged by the gifts from your fellow Texas Cavaliers and friends of the Foundation.

Adopt-A-Charity

Individual gifts to various children's charities are multiplied by aggregate strength. Thanks to these Cavaliers who lent their support to children's charities in 2016; their gifts are reflected in the \$571,335 total grants this year.

Lewis Hart Society

Members of this distinguished group have made significant legacy gifts or pledges of \$10,000 or more. Their gifts honor the memory of W. Lewis Hart, King Antonio XIX, who made the first major gift to the Texas Cavaliers Charitable Foundation, which entitles them to wear a distinctive insignia on their uniforms.

Memorial and Honor Gifts

Memorial gifts to friends and loved ones offer a forum for remembering those who have gone before us, while further enhancing the Foundation’s ability to support children’s causes. Many also use this charitable vehicle as a way of honoring a friend, family member or colleague. We invite you to visit our website, www.texascavaliers.org to see the names of those who donate and those they honor and to thank them for their generosity.

Order of the Silver Knights

Dozens of Texas Cavaliers are members of the Silver Knights — a distinction given to those who have made a one-time capital gift of \$1,000 or more to the Foundation. This endowment strengthens our support of children’s charities, and we welcome the following new Silver Knights who joined this group in 2016.
